SCHOOLS PAY, SAYS BAKER

STATE CAN MAKE NO BETTER INVESTMENT, GOVERNOR DECLARES

SECRET OF PROGRESS

In Education is Key to World's Problems, Executive Asserts—Pays the Individual Also

"Education does pay, and the men and women of the state can make no better investment than that of putting their money into schools for the boys and girls of Missouri," declared Governor Sam A. Baker, speaking at the opening session this morning of the annual teachers' meeting at the State Teachers College.

"Does it pay? That question has long since been answered," said the governor. "We know that education pays. It pays just as it pays to sandpaper the rough board before making it into fine furniture. It pays the same as it pays to smooth the rough stone before it is placed in the building."

"The best cure for pessimism is found in education," Governor Baker said.

Synonymous With Civilization

"Education and civilization are practically the same," he said at another point. "Both are a concurring series of needs and desires. When one want of civilized man is gratified, there comes another with greater insistence than the one before.

"Time was when man was satisfied to drive from place to place in an ox cart. Now he wants a high powered motor car or an airplane. Humanity once was satisfied with a tallow candle for light. Now it wants electric lights at every door and at the head of every bed. Once we were satisfied with a pine knot fire; now we demand an even temperature all over the house.

"Our great grandparents were fortunate if there was spring or a running stream in a half mile of the clearing. Now we grumble if we have to go to the next room for a drink of water.

"Years ago man was satisfied with mere existence, We know now that he who merely is, may be a dull, insensate hind, while he who knows is in himself divine.

Education Sheds Light

"There are still a few people in the world who believe," the governor said, "that civilization and education both are foolish, because they increase the wants of man. This is not true. If it were, then man would be inferior to a savage, a savage inferior to a dog, and a dog inferior to an oyster.

"Education has brought about these changes in the world's civilization. It is th keynote to the solution of all the great problems of the world. Nothing can thrive in the musty atmosphere of ignorance, darkness and gloom. Education shows us the light, and the great army of consecrated men and women who are devoting their lives to the work must become leaders in the community life, must point the way to a broader and more universal education.

"If education is not fostered and developed, then civilization must perish. It is both a moral and economic necessity.

Ignorance Cause of Crime

"Parsimony toward education means liberality toward crime. A survey of our penal institutions shows that a great per cent of the inmates are men who have had very limited educational advantages.

"We are too much inclined to place money values on all the finer things of life. Yet if we look only at money value, we shall find our schools and teachers are great contributors to community life and that they are the greatest financial assets any community, state or nation might have. One seeking an investment goes to a town where the schools are the best, although he may have no children of his own to educate. He knows that community life is best there and that investments are safe.

"Statistics show that education pays even in a financial way. There are, of course, people who say education will never help one to earn a dollar. Let's see about it.

"In New York, a widespread investigation among business men revealed that boys leaving school at 14 were, at 25, or eleven years later, earning an average salary of $661. Those who left school at 18, supposedly after a four year high school education, at 25, or seven years later, earning average salaries of $1,612.

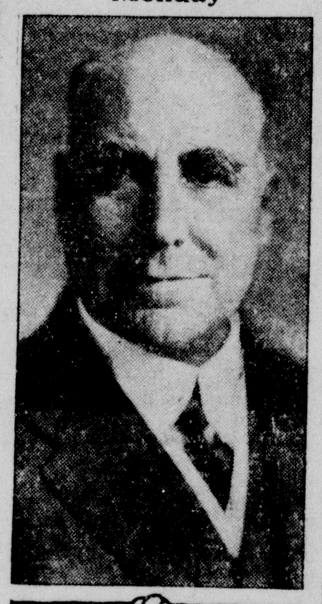
Will Speak Here Monday



COLVIN B. BROWN
CHIEF, ORGANIZATION SERVICE BUREAU U.S. CHAMBER OF COMMERCE

FIRE DESTROYS TWO BUILDINGS

GUILFORD LOSS BETWEEN $12,000 AND $15,000.

IS OF UNKNOWN ORIGIN

Blaze Is First Discovered In Rear Of Skidmore Bros. General Store About 10 o'clock Last Night.

The general merchandise store of Skidmore Bros. and the Guilford Hardware Co. building at Guilford were destroyed by a fire of unknown origin last night.

The loss is estimated at between $12,000 and $15,000.

The blaze started in the rear end of the merchandise store about 10 o'clock and was discovered a few minutes later.

The Guilford and Conception Junction fire departments were called out and within two hours had the blaze under control. The large supply of water in several wells near the business section in Guilford was largely responsible for bringing the fire under control within a short time and saving several surrounding wooden structures which were at times in grave danger.

The building occupied by the Skidmore Bros. general merchandise store was owned by J. H. McClanahan and James G. Skidmore. The Guilford Hardware Co. building and the hall above both stores was owned by J. L. Davis.

Some of the merchandise from the hardware store and a few account books from the general merchandise store were saved. The remainder of the stock and the two buildings are a total loss.

Both buildings were of brick and this is the first time in the history of Guilford that a brick building has been destroyed by fire.

The Skidmore stock and the building were insured.

Road Letting to Be on October 30

Jefferson City, Oct. 15.—B. H. Piepmeier, state highway engineer, will receive bids October 30 for the construction of 100 miles of road and thirty bridges estimated to cost about approximately one and a half million dollars. The projects all are located in central and southern Missouri.

In Narrow Escape as Train Catches Afire

Railroad Disaster On Moffat Road Fifty Miles West Of Denver—Estimates Loss At $50,000.

Denver, Colo., Oct. 15.—A dozen passengers narrowly escaped with their lives when two coaches, a Pullman car and a baggage car were destroyed by fire as a result of a crash between a passenger and freight train on the Moffat railroad near Corona Pass, "The Top of the World," fifty miles west of Denver today.

The passenger train collided with the rear end of the freight, setting the caboose afire. The flames spread and the loss is estimated at $50,000. No injuries were reported.

BURT MARTIN FOUND GUILTY

DEFENDANT IN LIQUOR CASE GETS JAIL SENTENCE.

FUCHS GIVEN ONE YEAR

If Paroled Later, Youth Will Not Be Permitted to Drive Car—Hankins Fined $25.

A sentence of three months in the county jail was imposed upon Burt Martin by the jury which heard his case yesterday in circuit court. Martin's attorneys immediately filed a motion for new trial and his bond was fixed at $500.

The jury deliberated for three hours before arriving at its verdict. Martin, a negro, was charged with sale of intoxicating liquor.

It was mistakenly stated yesterday that city officers told of finding liquor at Martin's home. The state based its case only upon the alleged sale of liquor by Martin to George Walker.

A $25 fine was imposed upon B. K. Hankins of Burlington Junction, charged with gaming. The jury which heard this case was composed of Carl Birdsell, Jake Birch, Edison Blagg, J. L. Teson, T. M. Cox, Roy Birkenholz, Luther Fast, J. L. Partridge, W. P. Huston, Ed Goodpasture, Henry Wright and John Porter.

Attorneys for Hankins also filed a motion for new trial.

Murle Fuchs, 20-year-old youth of Clyde, who was charged with driving a motor vehicle while intoxicated withdrew his plea of not guilty at the advice of his attorneys and entered a plea of guilty. He was then sentenced to serve one year in the county jail.

If the court see fit, Fuchs may be released before the expiration of his term, but the terms of his parole, if any is granted him, will be very strict. Prosecuting Attorney George Pat Wright, recommending the jail sentence, urged that the youthful prisoner be made to serve the greater part of his term and that if a parole be granted at all it should be only upon condition that Fuchs abstain entirely from intoxicating liquor or from the places where it is sold, and that he be denied permission to drive a car during the term of his parole.

"There is no compromise with me in this kind of a case," the prosecuting attorney declared. "I know of no more dangerous offense than that of a wild and bleary-eyed man driving an automobile down the public highway. If this boy is paroled at any time in the future, I shall insist that he not be allowed to drive a car at all. If he must go anywhere, let him walk for awhile."

Judge John Dawson intimated that in case of a parole he would follow the prosecuting attorneys recommendations.

The state case against Charley Roach, charged with assault with intent to rape, has been set for Friday of next week.

In the partition suit of Ede Davis and others against Fanny D. Rasco and others, a decree was issued for partition by sale of lands as per form filed.

The case of Wilmina Hughes against Perry Antrim, a suit on contract, was continued for want of service.

Court was adjourned late yesterday afternoon until next Monday, when jury cases will be continued.

Former Legion Head Will Assist Davis

Col. Hanford MacNider Of Mason City, Ia., Is Appointed By Coolidge As Assistant Secretary.

Washington, Oct. 15.—Col. Hanford MacNider, former national commander of the American Legion, was appointed assistant Secretary of War today by President Coolidge. MacNider is a native of Mason City, Ia., where he is identified with the banking business.

Announcement of MacNider's appointment was made at the White House shortly after noon today after the former Legion commander notified President Coolidge he would accept the post.

MacNider had the backing of the Legion and his new chief, Secretary Davis, for the place.

Colonel MacNider will be one of the youngest men ever to occupy the post as he has just recently become 36 years old.

Miss Ruth Johnson, an employee of the Farmers Telephone office, is spending a three weeks' vacation with relatives at Sheridan.

Loans Depend Upon Caillaux's Success

If French Finance Minister Can Force Approval of Agreement, Then U. S. May Aid Further.

Washington, Oct. 15.—If France agrees to the five-year debt proposal carried back to Paris by Joseph Caillaux, French finance minister, the American government would be inclined to regard with approval further classes of private loans to French industries and the French government, it was announced at the treasury department today.

These certain classes, however, would be restricted to loans that were calculated to improve the French economic situation by increasing her capacity to pay.

PLEDGES AID FOR DEFENSE

PRIVATE AIRCRAFT INTERESTS TO CO-OPERATE.

BOARD IN NEW FIELD

President's Investigators Turn From Survey of National Defense To Commercial Enterprises in U. S.

Washington, Oct. 15.—America's organized aircraft industry, a union of twenty-four great airplane companies, today pledged its vast resources to the development of commercial aviation as an auxiliary arm of the national defense.

The pledge was given to the President's air board by Charles L. Lawrence of Patterson, N. J., president and spokesman of the Aeronautic Chamber of Commerce.

In return, the aircraft industry asked the government's help in expanding their own business.

Washington, Oct. 15.—After having devoted three weeks to a study of the national air defense, the President's air board today delved into the problems confronting commercial aviation in the United States.

The board sought to learn why America is so far behind Great Britain, France, Italy and even Belgium in the development of passenger-carrying private air lines.

A number of civilians will be called before the board to offer suggestions for the development of commercial aviation.

Says Rural Schools in State Progressing

State Superintendent Lee Says Outlook Bright For Future—Miss Burk and Roach Talk.

Speaking before the teachers at the convention this afternoon, Charles A. Lee, state superintendent of schools, used as his subject, "Rural Education," touching upon the adequate need of equal opportunities for boys and girls of Missouri in obtaining an education. He carefully interpreted the value of such action, concluding his address on revenue.

The speaker said that the outlook for rural schools is bright and hopeful to the state department. The most outstanding factor of encouragement is the success of the large school district, he said.

Mr. Lee left Maryville this afternoon to fill an engagement in the southern part of the state.

Miss Cassie Burke, state supervisor of rural schools at Jefferson City spoke on the subject of "Teaching Appreciation in the Elementary School." The subject was a heart-to-heart delivery by one most familiar by her association and position to talk upon the matter.

"Getting The Most Out of The Superintendent's Visit" was discussed by Fred Roach, County Superintendent of Schools of Buchanan County.

A. G. Thompson Funeral to be Held Friday

Services Will Be Conducted at Barnard Christian Church by Two Ministers.

Funeral services for A. C. Thompson, who died yesterday morning at his home, one-half mile west of Barnard, following a week's illness of paralysis, will be held at 2 o'clock Friday afternoon at the Christian Church in Barnard. The service will be in charge of the Rev. C. E. Hagee and the Rev. W. H. Yount. Burial will be in the Barnard cemetery. L. O. Thompson of Portland, Ore., a son, will arrive this evening.

ABOUT 1,500 TEACHERS HERE

ALL TRAINS BRINGING MORE FOR ANNUAL CONVENTION.

SERVICE COMES FIRST

Charles A. Lee, In Opening Address, Warns Instructors That Money Side Of Teaching Is Secondary.

The solution of the problem of education in the rural communities of the state and an effort on the part of the Missouri State Teachers Association were presented to the opening session of the Northwest Missouri Teachers Association meeting today by Charles A. Lee, state superintendent of schools, as the two factors, which will determine the future of educational progress in the state. Mr. Lee took as his subject the "Educational Outlook for Missouri" and his conclusions were supported by graphically told personal observations of schools in the state and by undeniable facts, presented in his most convincing manner.

A rough estimate given out at the College today was that between 1200 and 1500 teachers are here for the meeting. Every train since yesterday afternoon has brought a capacity crowd, and the many Chamber of Commerce automobiles which met the 7:42 o'clock Wabash last night were entirely inadequate, so large was the delegation arriving then.

At noon today eating houses here were crowded and many visitors were forced to wait until after 1 o'clock to eat lunch.

The public is cordially invited to attend any or all sessions of the teachers convention. A large number is urged to be present to hear Senator George H. Williams and Frederick D. Gardner, former governor of Missouri, Saturday morning.

Discusses Professionalization of Teaching.

"Probably too many of our teachers are looking too much at the money side of the work of teaching. When we teachers begin to talk of building up the profession taxpayers begin to think that we are going to try to get a salary increase. We must first show an increase in service to the taxpayers and then the increase in salaries may be justified.

"The taxpayers will never be able to realize one hundred per cent on the taxes they invest until teaching has become in every sense a profession; pupils will never get the most and best training until we make it a real profession; and teachers cannot render full service until they realize themselves to be members of a profession.

"There is no question in my mind but what we are making good, substantial progress in that direction but we must not stop. As a rule I find in Missouri that the teachers are rendering very creditable service to the taxpayers It takes just as much patience and skill to be a good teacher as it does to be a good doctor or lawyer.

"Missouri now ranks third among the states in the Union in percentage of her teachers, who belong to their state association. That is a favorable indication but there are some other ways in which a teacher may also aid in making teaching a real profession: The first is to attend summer school. Last year about 16,000 teachers in Missouri attended summer sessions. that is about five-sixths of the total number in the state.

Must Unify System.

"Another way is to work for a new system of state certification of teachers, which will be more simplified and uniform than our present system. At present there are thirty-eight different methods of certifying teachers in this state. I am personally convinced that a written examination is the poorest way in the world to determine what a person really knows. We should offer in our higher schools certain specified courses leading to certificates entitling the teacher to do only certain types of school work. A university graduate may be less qualified to teach a one-room rural school than a person with only one year of college training in lines dealing especially with rural education. We should all work toward harmony and co-operation in our ranks.

"Every teacher should also work toward the establishment of a single salary schedule. Many good grade teachers take up high school work because of the larger salary obtainable and in many cases they do not make as good high school teachers as they did grade teachers. I belive all should receive

(Continued on page 2)

Nations Agree on Western Securities

Drafted Pact Is Approved By Conference At Locarno—Provides For Arbitration Methods.

Locarno, Switzerland, Oct. 15.—The security pact conference today reached an agreement upon the western securities pact.

Arbitration treaties between Germany and the countries on both her western and eastern borders were, however, left open.

The drafted pact provides for an agreement between Germany, France, Belgium, Great Britain and Italy for the security of the Franco-German and Belgium-German frontiers and was approved by the conference in session this morning.

The drafted security pact approved today, it is understood, provides that the frontiers of the nations concerned shall remain as fixed, that each nation pledges not to make war without submitting its disputes to arbitration and provides that the rights of the nations under the Varsailles treaty shall not be prejudiced by the pact.

PIRATES WIN DECIDING TILT

WASHINGTON LOSES LAST GAME OF WORLD SERIES, 9-7.

A BATTLE AMID RAIN

Walter Johnson Is Pounded Hard by Pittsburgh Batters—Carey and Cuyler Heroes.

The Pittsburgh Pirates today wrested the baseball championship of the world from the Washington Senators. In one of the strangest world series games ever played, the two teams battled in a downpour of rain to a final score of 9 to 7.

The losing pitcher was Walter Johnson, "grand old man" of baseball, who earlier in the series had turned in two victories. Pittsburgh used four pitchers.

The Senators seemed sure winners when they scored four runs in the first inning. The Pirates, however, kept continually after Johnson, tying the score in the seventh inning and driving in the winning runs in the eighth when Hazen Cuyler doubled with the bases full and two out.

Cuyler shared the role of batting hero with Carey, who made three two-base hits and two singles in his five times at bat. Peckinpaugh made a home run in the Senator's half of the eighth.

The score by innings:

	R.	H.	E.
Washington	4	0	0	2	0	0	0	1	0—7	7	2
Pittsburgh	0	0	3	0	1	0	2	3	x—9	15	2

First Inning.

Washington: Rice singled. S. Harris flied out. Goslin walked. J. Harris walked, filling the bases. Judge walked and Rice was forced home with the first run. Bluege singled, scoring Goslin. Morrison replaced Aldridge. Peckinpaugh was safe at first when the umpire ruled that the Pittsburgh catcher had interfered with the runner. J. Harris scored on the play, and Peckinpaugh was credited with no time at bat. Ruel went to first when his grounder was juggled, and Judge scored the fourth run. Johnson struck out, and Rice, batting for the scond time, flied out to Barnhart. Three men left on bases. Four runs, two hits, one error.

Pittsburgh: Johnson took Moore's bunt and threw him out at first. After working the count to three balls and two strikes, Carey got a long hit into right field for two bases. Cuyler struck out. Barnhart also struck out, retiring the side. No runs, one hit, no errors.

Second Inning.

Washington: S. Harris flied out to Cuyler, who caught the ball just as it was about to go into the stands. Goslin flied out to Carey. Joe Harris went out, Wright to McInnis. No runs, no hits, no errors.

Pittsburgh: Trainor hit to Johnson, who threw wide to first, but Judge caught the ball and beat Trainor to the bag. Wright singled to center field. As McInnis went to bat, it started to rain again. McInnis singled to center. Wright stopping at second. Smith hit into a double play, Stanley Harris taking his grounder, touching McInnis and throwing Smith out at first. No runs, two hits, no errors.

Third Inning.

Washington: Judge singled into

NOTED INDIANA SENATOR DIES

SAMUEL M. RALSTON SUCCUMBS AT HIS HOME.

WAS GREAT LEADER

Perhaps Could Have Been Nominated for President If He Had Wished —Funeral to Be Saturday.

Indianapolis, Oct. 15.—Senator Samuel M. Ralston, Democrat of Indiana, who died here last night after an extended illness, will be buried at 2 o'clock Saturday afternoon at Lebanon, Ind., thirty-five miles from here, it was announced.

It was at Lebanon that Mr. Ralston rose from obscurity to a high pinnacle in the legal profession to become governor of Indiana and then United States Senator.

Washington, Oct. 15.—The death of Senator Samuel M. Ralston of Indiana, Democrat, paves the way for a possible political comeback by Albert J. Beveridge, according to political leaders here today.

Under Indiana law, Governor Ed Jackson will appoint a Senator to fill Rolston's place until the next general election, a year hence. Governor Jackson is a Republican and is expected to name a Republican, thus increasing the Republican majority in the next Senate.

Beveridge was Ralston's opponent in 1922 and is considered by Republican leaders here as having an excellent chance for the appointment.

Indianapolis, Ind., Oct. 15.—Samuel M. Ralston, United States senator from Indiana, died last night at his country home north of this city.

Senator Ralston's death was preceded by a long illness caused by disease of the kidneys. He returned from Washington last March in poor health.

On September 5 his condition became aggravated and he was ordered to bed by his physicians, but early this month when uraemic poisoning developed and recently his life has hung by a slender thread. He would have been 68 years old December 1.

Death came to the statesman at the place he loved best, "Hoosier Home," just outside the city limits of Indianapolis. Immediate members of the family, who had been warned of the senator's condition, were present.

Senator Ralston, a democrat, defeated Albert J. Beveridge, republican nominee, at the senatorial election in 1922. He was elected governor of Indiana for a four-year term in 1912.

Withdrew His Name.

His name was presented to the last democratic national convention as a candidate for the presidential nomination, and at one time it seemed possible that he would receive the honor and break the long deadlock between the Smith and McAdoo forces. His insistence that his name be withdrawn took him from the contest.

Death occurred shortly after 11 o'clock. Virtually every member of his family was at the bedside, and nearly a score of his business associates and political colleagues were in his palatial country home.

Unconscious for Day.

The members of the family present included Mrs. Ralston, his daughter, Mrs. Ruth La Rue; two sons, Julian C. Ralston and Emmett G. Ralston, all of Indianapolis; a brother, Boyd M. Ralston of Indianapolis; a sister, Mrs. Julian Hogate of Danville, Ind., and a nephew, Glenn R. Ralston of Indianapolis.

Senator Ralston lapsed from unconsciousness shortly after midnight Wednesday after an extremely restless night. He sank steadily during the morning. Physicians were forced at noon to start administering opiates to alleviate his pain. A fever, already high, rose steadily during the afternoon and attempts to check it were futile.

Preceding the interment, there will be a simple funeral at the Presbyterian Church at Lebanon with the Rev. Dr. Orton Carmichael of Ithica, N. Y., officiating, assisted by the Rev. Harvey Lamb, pastor of the Lebanon

(Continued on Page 4).

THE ONLY DAILY PAPER IN NODAWAY COUNTY

About 1500 Teachers Here

(Continued from page 1).

the same salary providing the training has been thorough in each case and the amount of experience the same."

Stresses Importance of Rural Education.

"To be frank with you, this is such a big problem in the state that I hardly know where to begin. However, I am convinced that we will never be able to do much with it until we have a different form of administrative unit of state administration to handle it. Most of Misouri's educational problems are concerned with rural education and I recommend that all of you think seriously on the problem for it is the one which concerns almost every citizen in the state.

Department In Survey.

"The department of agriculture of the state made a survey of the vacant farm homes in the state last year and found that there are 30,000 in the state. I believe that the number has increased in the state since then. As I read that report I began to wonder what is the relation of number of vacant farms in a given county to the educational facilities in that county. I took the six counties having the least number of vacant farms and the six counties having the largest number of vacant farms for a study. I found that in the six counties having the least vacant homes one child out of every five was enrolled in a high school and that there were sixty-seven high schools in these counties. In the other group of six counties I found that one out of every twenty children was enrolled in high school and that there were only fourteen high schools in the six counties. I do not say that all of the vacant homes are due to poor educational provisions but I think that a good percentage of them is.

"The question arises: What kind of a school system do the farmers of the state want? The most prevalent answer which I get is that a system is wanted that puts both a first class elementary and high school within the reach of all and permits the student to remain at home.

"Then the problem arises: How are we to amend our present system to get such a system? That is the problem to be solved. Many changes have taken place in the last seventy-five years in the state but the one-room rural school district still remains. I have no criticism of the one-room school as such but many districts at present, by voting the maximum constitutional levy for school purposes, cannot establish the kind of school they want. I would not have much objection to dividing the state into school communities, each containing six or seven one-room buildings offering six grades of work and a central six year high school in conjunction with them."

"Not long ago I passed a one-room school alongside of one of Missouri's fine new paved roads. The building could not have been sold at public auction for more than fifty or seventy five dollars. The question arose in my mind as to which is of most importance, the building of first class means of transportation and communication or the establishment of proper and adequate provisions for the training of future American citizens. I am heartily in favor of the road building program but I also believe that we should adopt the same plan in solving our educational problems. When the people get behind the educational work of the state as they have behind the road work the state will go forward by leaps and bounds in the educational world. We are all agreed that our system is not as good as we want so let us all work together to improve it."

HEARING RESTORED OFTEN IN 24 HOURS

Amazing Results Secured In One Day By Use of Virex Formerly Known As Rattle Snake Oil.

Deafness and Head Noises need not be dreaded any longer since the discovery of a widely known physician. Now it is possible for some of the most obstinate cases of deafness to be relieved in a day's time by the application of a prescription formerly known as Rattle Snake Oil. This treatment is meeting with wide success all over the country.

Mr. D. M. Lopes, a Pennsylvania man, says: "I used the treatment at night before retiring. The following morning I could hear the tickings of the alarm clock that I was unable to hear before. Now my hearing is restored perfectly after many years of deafness."

Mr. Ben Jackson, who lives in Indiana says, "Before I used Virex I could hear nothing. After ten days I could hear my watch tick."

Angeline Johnson, a Mississippi resident had been stone deaf for eighteen years. She says, "Virex has stopped my head noises and I can hear the train whistle 3½ miles away."

Roy Fisher, Iowa man, says, "I hadn't heard a watch tick for eleven years—now I can lay my watch on the table and hear it plainly."

Mr. W. A. Lumpkin, of Oklahoma, says, "After being deaf 38 years, I used your treatment only a few days and hear fairly well."

Mr. Anthony Chapman, of Michigan, says, "The terrible head noises have stopped entirely and my hearing is practically back to normal."

Deaf Baby Now Hears.

Mrs. Ola Valentine, of Arkansas, says, "My little boy, now 5 years old, had been deaf since about 4 months of age. Now he hears very well and is learning to talk."

Mr. Mather Pellers says, "My young son, deaf for years, has used Virex for only thre days and he hears almost as well as ever before."

Such amazing reports come from all over this country and canada. The prescription which is known as Virex, is easily used at home and seems to work like magic in its rapidity on people of all ages.

So confident are we that Virex will restore your hearing quickly, and to introduce this remarkable treatment to a million more sufferers, we will send a large $2.00 treatment for only $1.00, by collect on delivery mail, on ten days' free trial. If the results are not satisfactory the treatment costs nothing.

Send no money—just your name and address to the Dale Laboratories, 1930 Gateway Station, Kansas City, Mo., and the treatment will be mailed at once. Use it according to the simple directions. If at the end of 10 days your hearing is not relieved, your head noises gone entirely, just send it back and your money will be refunded without question. This offer is fully guaranteed, so write today and give this wonderful compound a trial.

Owens Funeral Held at Hopkins Wednesday

Rev. W. C. Harper Officiates And Burial Is In Hopkins Cemetery—Dies Tuesday Morning.

Funeral services for Mrs. Edna Owens, who died at 11 o'clock Tuesday morning at the home of her father, Felix G. Brown of Hopkins, were held at 2 o'clock Wednesday afternoon at the Methodist Episcopal Church in Hopkins. The Rev. W. C. Harper officiated and burial was in the Hopkins cemetery.

Mrs. Owens had been ill of rheumatism and lung trouble for nine years. She was born September 9, 1888, on the home farm, two miles east of Hopkins. She was a graduate of the Hopkins High School and also attended the State Teachers College in Maryville. She later taught in Nodaway County for several years.

She was married to Edgar Owens August 23, 1910. Surviving are three children, Harold, Ronald and Katherine. She also leaves one brother, Roy Brown of Kansas City, and six sisters, Mrs. Lillian Gladman, Mrs. Edith Freeman, Mrs. May Gladman and Miss Gertrude Brown of Kansas City, Miss Katherine Brown of Wichita, Kan., and Miss Lillian Brown, at home.

William Woods of Burlington Junction and his brother, David Woods of Grangeville, Ia., visited in Maryville today.

Miss Barmann to Illinois.

Miss Ora Barmann left Tuesday night for Springfield, Ill., to be the guest of friends for several days. She will visit at other Illinois points before returning home.

Mrs. Mary E. Appleby, who had stopped here for a short visit on her way to Colorado, received word this morning of the death of her brother-in-law, Mr. Shaw, at Adams, Neb. She will leave for Adams tomorrow morning.

Receives Treatment After Mad Dog Bite

Floyd Morehouse, of the Good Hope vicinity, who was bitten by a mad dog about two weeks ago, took his last treatment Monday night and is believed to be no longer in danger of hydrophobia. Mr. Morehouse considers himself fortunate in having the bite treated in time.

Gives Wife Adlerika For Stomach Trouble

A merchant whose wife had stomach trouble finally gave her Adlerika. It helped her at once. The pleasant and QUICK action of Adlerika is surprising. It helps any case gas on the stomach unless due to deep-seated causes. It is excellent as an intestinal evacuant and a wonderful remedy for constipation—it often works in one hour and never gripes. Koch Pharmacy, Maryville. In Pickering, A. F. Lett, Druggist.—Adv.

After Long Experience

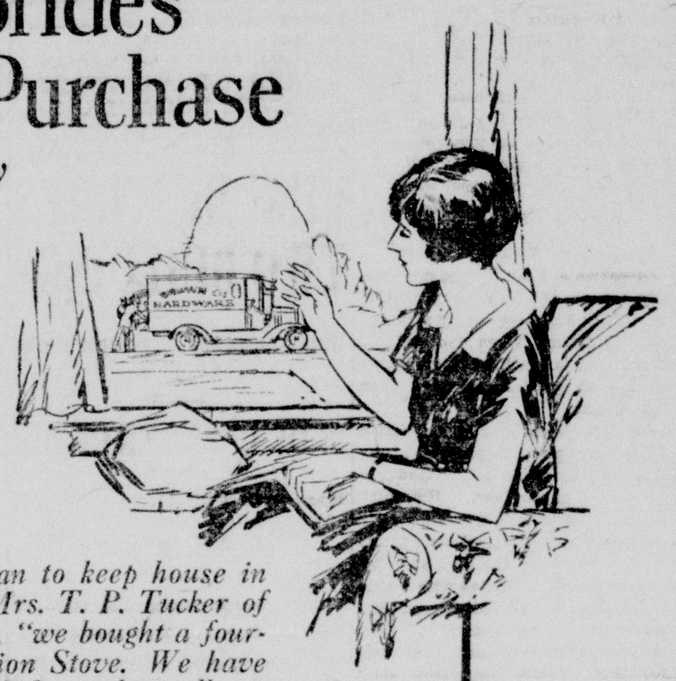
We both sell and recommend the full line of Perfection Oil Stoves made by Cleveland Metal Products Co.

See our samples and get our prices.

We repair and take used stoves in exchange.

Howard Wray Hdwe. Co.

A Bride's First Purchase
and her story about it



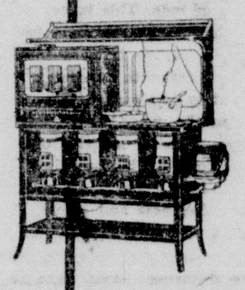
"When we began to keep house in 1919," writes Mrs. T. P. Tucker of Beeville, Texas, "we bought a four-burner Perfection Stove. We have used it every day for cooking all our meals and still use two of the original wicks.

"My stove is in perfect order and has lots of service still left in it. For every kind of cooking I have found it very capable. I know that I can depend upon it at all times.

"I am convinced that the Perfection is the best oil stove to be bought, and you may be sure that my next stove will be a Perfection."

Mrs. T. P. Tucker

All sizes and prices. From $6.75 for a one-burner camp-stove to $120 for the finest five-burner range with built-in oven.



Many women, like Mrs. Tucker, have used Perfections from the time they started housekeeping. For good reasons, too. Perfections burn only kerosene, the safe, household fuel. Fast-as-gas burners, roomy cooking surface, and simple operation make them ideal stoves. Any dealer will gladly show you their many advantages. Ask him to demonstrate Perfections, the stoves with the long chimneys.

EAST SIDE SQUARE. MARYVILLE, MO.

SOCIETY

Mrs. Montgomery Hostess.

Mrs. Sherman Montgomery was hostess to the Thursday Bridge Club this afternoon at her home on South Buchanan street. Mrs. Clarence Vogt was an additional guest.

I. X. L. Club.

Members of the I. X. L. Embroidery Club held their regular meeting yesterday afternoon at the home of Mrs. Anna Stauble on North Prairie street. Needlework was the diversion for the afternoon and refreshments were served. Eleven members were prsent.

Birthday Dinner.

In honor of the birthday anniversary of their daughter, Virginia, Mr. and Mrs. M. A. Nicholas gave a 6 o'clock dinner at their home last evening. Those entertained were Miss Mildred Tebow, Miss Helen Geist, Miss Mildred Carlson, Miss Martha Glover, and Welbe Nicholas of Cope, Colo.

Hostess at Breakfast.

Miss Grace M. Shepherd was hostess at a breakfast this morning at her apartment in the Hyslop Flats, complimenting Miss Ella V. Dobbs, president of the Missouri State Teachers Association. Additional guests included Dean and Mrs. George H. Colbert, Mrs. Doolin of Gallatin, Dean Barnard, Merle E. Seleeman and Charles R. Gardner.

Hosts at Dinner.

Mr. and Mrs. Dave McLarnon entertained the following guests at dinner Sunday: Mr and Mrs. Joseph Sweitzer, Mr and Mrs. Melford Holt and baby daughter, Doris Marie, Mr. and Mrs. James Wright and daughter, Beverly Babe, all of St. Joseph, Mr. and Mrs. Fred McLarnon and daughter, Vera Marie, Mrs. Gertrude Sampson and Mrs. Lena Monroe of Maryville.

For Kansas Visitor.

Mr. and Mrs. J. F. Montgomery entertained with a dinner yesterday noon at their home on West Third street in honor of Mrs. J. M. Affeck of Hiawatha, Kan., who has been visiting friends here, esides the visitor and the hosts, places were arranged for Mrs. J. F. Robertson and her guest, Mrs. Ada Wilson of Burlington Junction, Mrs. J. T. Linville, Mr. and Mrs. Lawrence Ogden and sons, Lawrence, Jr., and Billy and Mrs. M. Rittenour.

Dorothea Snoderly Married.

Mr. and Mrs. D. W. Snoderly of Maryville announce the marriage of their daughter, Dorothea A., to Frank Vernon Stuart of Fryor, Okla., son of W. B. Stuart of Fortescue, Mo. The wedding took place Saturday, October 3, at Troy, Kan. The bride is the oldest daughter of Mr. and Mrs. Snoderly and is a graduate of the Maryville High School. She also attended the State Teachers College. She is teaching in the Fortescue public schools and will continue her work. Mr. Stuart is foreman of the Horn Construction Company.

Business and Finance Meeting.

A postponed meeting of the business and finance department of the Twentieth Century Club was held yesterday afternoon in the rest rooms. Mrs. Garnett Watt, representative of the National Life Insurance Company, read an interesting paper on "Life Insurance for Women." Mrs. Ed G. Orear conducted the parliamentry drill on apply the "seven things" to the main question," using a chart with the Longan figures. Mrs. Lincoln Bent was a guest of the department. "Occupations for Women" will be the subject discussed at the November meeting.

Pickering Needlework Club.

The Pickering Needlework Club was entertained yesterday afternoon at the home of Mrs. C. G. McMillen. The following members were in attendance: Mrs. O. G. Null, Mrs. E. L. Crowson, Mrs. W. E. Johnson, Mrs. Agnes Lunte, Mrs. C. G. Swinford, Jr., Mrs. J. W. Wiley, Mrs. E. W. Croy, Mrs. D. W. Robb, Miss Mary Wolfers, Miss Blanche Hinton, and Mrs. J. C. Carmichael. Refreshments were served by the hostess, assisted by Mrs. Byron Hanna, who was a guest of the club. Miss Mary Wolfers will be hostess to the club October 28.

Homemakers Class.

The Homemakers Class of the M. E. Church, South, held its October meeting yesterday afternoon at the home of Mrs. Earl Henderson on West Fifth street, with Mrs. N. F. Humber as assisting hostess. The house decorations and refreshments were suggestive of the Halloween season. At the business session it was decided to give a Halloween party for the members and their families in the social service rooms on the evening of October 30. Plans were made for the Christmas bazaar to be held the first week in December at the social service rooms. There will be four booths, the country store and apron, candy and infant's booths. Mrs. W. T. Gray, Mrs. M. L. Hopper and Mrs. J. E. Donaldson will have charge of the program at the November meeting. Yesterday's program was in charge of Mrs. R. M. Barry and Mrs. Joe Thompson, and consisted of a biography of Henry Ward Beecher by Mrs. L. A. Conder; a vocal duet by Mrs. R. M. Barry and Mrs. N. G. Castillo; piano solo, Joyce Johnson; and a vocal solo by Mary Henderson. Mrs. Charles Vance and Mrs. Jack Tarpley were taken in as new members. Eighteen members and the following visitors were present: Mrs. Jack Tarpley and daughter, Betty Jane, Mrs. Charles Vance, Mrs. Lillian Seleeman, Mrs. Jones, Mrs. Vern Elliott, Dorothy Sandison, Joyce Johnson, and Virginia Laughlin. Refreshments were served by the hostesses, assisted by Mrs. Vern Elliott and Mary Henderson. Mrs. Smith and Mrs. L. A. Conder will be hostesses at the November meeting at the home of the former on West Fourth street.

Skidmore Neighborly Club.

The weekly meeting of the Skidmore Neighborly Club was held yesterday afternoon at the home of Mrs. Fred Barber. Mrs. Nora Sewell of Los Angeles, Cal., and Mrs. Laura Bassett were guests and there were twelve members present. The third Fine Arts program was given with Mrs. Harry Hoblitzell as leader. There was a general discussion of Edgar Allen Poe, American poet, and several of his poems were read by Mrs. Jessie Reese, Mrs. H. W. Montgomery and Mrs. Hoblitzell. Short poems formed the roll call responses. A social meeting will be held next Wednesday afternoon at the home of Mrs. Alex Wells.

ALL WORN OUT?

So Was Mr. Bramble Who Tells His Experience.

Are you tired all the time; worn-out night and day? Does your back ache as if it would break? Do you suffer dizziness, headaches, rheumatic twinges or distressing urinary disorders? You have good cause, then, to be alarmed about your kidneys. Do as many of your townfolk recommend. Use Doan's Pills—a stimulant diuretic to the kidneys. This Maryville case is convincing.

Geo. F. Bramble, retired blacksmith, says: "I had a dull ache in my back that kept up for two or three days at a time. The steady aching made me feel so tired I felt all worn out at the end of an ordinary day's work. I had dizzy spells, too at times when little black spots came before my eyes. Doan's Pills soon made me feel better. Several boxes relieved me."

60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

Child-birth

THOUSANDS of mothers for over three generations have praised Mother's Friend for relieving them of unnecessary pains during expectancy. How important it is that the Mother-to-be should pass this period with calm nerves. The sweetest story ever told is the soul-whispering of mother to her unborn child! Mother love and expectancy—*be prepared to make this dream a reality.*

"Everyone was surprised how well I got along." Writes Mrs. Alfred E. Ammon, Muncie, Ind. "My pains disappeared after using Mother's Friend and I was sick only an hour and a half at baby's birth."

Mother's Friend is the formula of an eminent physician. It aids the muscles and tissues to expand more easily during the constant readjustment of expectancy, month after month, right up to childbirth. Plain oils only penetrate the skin. Mother's Friend *penetrates* deeper and soothes the broad muscles of the abdomen, back and hips; making them soft and pliable—thus really aiding Nature to do her part.

Mother! Insist on Mother's Friend—the same as used by our mothers and grandmothers—don't wait—start using tonight—and meanwhile write Bradfield Regulator Co., Dept. 33, Atlanta, Ga., for *free* valuable booklet "Motherhood and the Coming Baby" (sent in plain envelope). It tells how Mother's Friend can help you during expectancy and at childbirth. This booklet also tells you many other things you want to know. "Mother's Friend" is sold by all druggists—*everywhere.*

I. O. O. F. Convention at West Plains Next Year

West Plains was selected yesterday as the meeting place of the I. O. O. F. State convention next year. Maryville was given second choice and it may be that the convention will be held here in 1927. F. E. Orcutt, delegate from the I. O. O. F. association in Nodaway County, returned from the meeting at Hannibal last night. More than a hundred delegates were present, Mr. Orcutt said, and it was one of the best state meetings held in a number of years.

Mrs. J. M. Affeck of Hiawatha, Kan., who has been the guest of Mrs. M. Rittenour, Mrs. J. F. Montgomery and Mrs. E. C. Curfman, left this morning for Atchison, Kan., to visit her son, Howard Affeck, and family.

C. of C. Worker to Give Address Here

Dinner And Meeting To Be Held At First M. E. Church Monday Night —Colvin Brown Speaker.

Colvin B. Brown, chief of the organization service bureau of the Chamber of Commerce of the United States, will speak at a Chamber of Commerce banquet to be held at the First M. E. Church here Monday night.

The subject of his address will be, "Your Part in the Nation's Work."

Mr. Brown leaves Washington Saturday night, and will arrive in Maryville on the afternoon Burlington Monday. He will leave here the next morning for Lawrence, Kan., where he will speak at noon.

His other Missouri dates will be at St. Joseph, Independence and Sedalia. The following week he will attend the annual National Association of Commercial Secretaries convention at Kansas City. There will be at least 500 secretaries from all over the United States, the largest attendance ever recorded. This is the first time this convention has ever been held west of the Mississippi River. Maryville will be represented by D. A. Caldwell, who is a member. He attended the Chicago convention in 1920 and the one at New Orleans the year following. Last year the convention was at Washington, D. C. It is for three days, with headquarters and sessions at Kansas City Athletic Club.

Business Men Hold a Luncheon for Baker

Three Short Talks at Affair at Maryville Country Club at Noon Today.

Gov. Sam A. Baker was the guest of honor at a luncheon given at the Maryville Country Club at 12:15 o'clock today. He made a short talk, as did Dr. P. P. Claxton, former president of the National Education Association, and Charles A. Lee, state superintendent of schools.

Uel W. Lamkin, president of the State Teachers College, presided at the luncheon. Forty-eight business and professional men of Maryville were present.

James H. Linville Dies Last Night

Was First White Child Born In Nodaway County—82 Years Old—Funeral Arrangements Incomplete.

James H. Linville, 82 years old, the first white child born in Nodaway County, died at 10:25 o'clock last night at his home, 623 S. Main street, following a day's illness. Death was superinduced by a peach tree splinter which penetrated his right hand a week ago, it is thought. He first complained of not feeling well yesterday morning and rapidly grew worse through the day.

Mr. Linville was born July 31, 1843, in Nodaway County. He moved to Maryville six years ago from a farm, twelve miles southwest of Maryville, where he had lived since 1885. He was married to Elvira Jones at Glenwood, Ia., sixty-one years ago and after a year's residence in Iowa they located in this county.

Surviving are the widow, two sons, Clyde Linville, Skidmore, and Will Linville, Long Prairie, Minn., and one daughter, Mrs. Ida Hockett of Marsland, Neb. He also leaves five grandchildren, twenty-one great grandchildren, two sisters and two brothers, Mrs. Margaret Clark, Sheridan, Ore., Mrs. Sarah Notley, and Henry Linville, Oklahoma, and Spencer Linville of Skidmore. He was a member of the M. E. Church, South.

Arrangements for the funeral will not be completed until after the arrival of a son, Will Linville of Long Prairie, Minn., tomorrow. The Rev. W. E. Brown of West Plains, Mo., a close friend of the family, will officiate.

Salem, Mo., Oct. 15.—Drunkenness and violation of the prohibition law is not passed over lightly by the court here. George Clark charged with being intoxicated and possessing liquor was found guilty, fined $200 and sentenced to six months in jail.

Studies Must Prove Worth While Value

E. W. Glenn Discusses Some Present-Day Tendencies in Education at Meeting This Afternoon

E. W. Glenn spoke on "The Tool Chest in Education" to the joint department of fine and industrial arts and home economics at the teachers meeting here this afternoon. After showing the present-day tendency for certain departments to advance and others to grow smaller, he said, "The subjects which have suffered a decline may reasonably expect to decline farther unless their subject matter is made to contribute more directly in the future to the objectives of secondary education than in the past.

"Those subjects showing the greatest increase will continue to hold their present position only so long as they provide profitable material for study."

Mr. Glenn stressed the growth of the junior high school movement in this district, and told of its purposes.

In speaking of manual arts he said that the larger schools need this branch of training more than the smaller ones because in small towns boys have more opportunity to use hammer and saw than in the urban centers.

Mr. Glenn spoke of the need of social development and mentioned moving pictures as one means. It is talk he used several reels of pictures as exhibits.

DRY MACHINE IS UNDER WAY

GENERAL ANDREWS BECOMES SOLE DICTATOR

FEW OFFICERS LEAVE

About 75 Per Cent of Old Ones to Be Retained—Czar Says Improvement May Be Expected

Washington, Oct. 15—Manned by its own engines and under its own steam, the government's new prohibition machine got under way today upon a precarious journey through a territory beset with many dangers.

Resignations of all the members of the old dry unit headed by Roy A. Haynes were accepted by General Lincoln C. Andrews, prohibition czar, but actually 75 per cent of the former subordinates and chiefs were retained. Haynes himself becomes Andrews' chief of staff, a sort of a "walking delegate" for the government, since he has been stripped of most of his powers to enforce the law.

Likewise, D. H. Blair, internal revenue commissioner under the provisions of the Volstead act, responsible for enforcement, becomes a figure head so far as prohibition enforcement is concerned.

Andrews is the sole head and director of the enforcement machine.

No official here is ready to predict the result, although Andrews declared that an improvement in conditions might be expected.

What Jerry Says

I met two beggars on the street,
To one I gave a dime,
And to the other fifteen cents,
Now you tell me the time.

I want some little boy or girl,
Who's less than sweet sixteen,
To tell me just what time it was,
When I met these Bo's I mean.

Don't bother the news paper,
Send your answer right to me,
At 409 West Third street,
That's where I live you see.

When I look the answers over,
And find out which one wins,
I'll send the winner something,
That will fill your face with grins.

AUNT HET

"I'm glad them two missionary delegates wasn't here but two days. I had wore a smile so much my face was plum' tired out."

(Copyright, 1925, Assoc. Eds., Inc.)

TEACHING NOT ORDINARY JOB

TASK IS COMMUNITY-WIDE, SAYS MISS ELLA V. DOBBS.

HIGH ATTITUDE NEEDED

Cooperation of All for Good of the Child Is Urged by Association President.

Appreciation of the true nature of teaching, an understanding of the preciousness of the material in which a teacher deals, and the co-operation of the teacher and the community for the good of the child were given to the teachers in the morning session of the Northwest Missouri Teachers Association at the College today as the essential factors in professional progress by Ella V. Dobbs, president of the Missouri State Teachers Association.

Miss Dobbs was the first speaker on the morning program, President Uel W. Lamkin of the College having been deterred from delivering his address on the "Progress of Your College." Miss Dobbs used many telling illustrations from her own career as a teacher to develop her talk and presented her discourse in an unusually clear, well organized, and inspirational manner.

"What is the most important thing needed in the field of education?" was her first question to her audience. Her own answer to the question was that a high professional attitude toward teaching work is most needed.

"Sometimes it is easier to tell what a thing is by telling what it is not and first of all teaching is not a job and is not to be regarded as such by the teacher. A teacher must not adopt the attitude of the ordinary job holder. Teaching is something bigger and broader than that. A wage earner stops at quitting time in the evening and his job is from that time on no longer a part of him but a teacher's work lasts as long as the teacher lasts. It is not merely a thing to be done for a few hours each day. It is a great and enormous work of which each individual teacher is only a small part.

"I once visited a United States mint and was impressed with the extreme care in saving all of the fragments and particles of metal used in minting coins. Every precaution is taken to see that none of it is lost. If we are that careful of an ordinary metal how much more careful should teachers be of the material in which they work for the teacher's material is human souls. When teachers begin to realize how precious that material is they are achieving a real professional attitude."

Noted Indiana Senator Dies

(Continued from page 1)

church. Dr. Carmichael held the pulpit at Lebanon when Mr. Ralston resided there and was a close personal friend of the Senator.

At 11:30 o'clock Saturday morning there will be a private service at the Ralston farm home here attended only by members and relatives of the immediate family. Then at noon the body will be placed aboard a special interurban car which will take it to Lebanon.

The body wil lie in state at the Ralston home all day tomorrow in order that friends and admirers may get a final glimpse of the former executive of Indiana. Mrs. Ralston would not consent to let the body lie in state at the capitol.

Snodgrass Is Back From Memphis Meeting

Has Just Concluded County-Wide Evangelistic Campaign There— To Leave For Tennessee Friday.

The Rev. R. E. Snodgrass returned yesterday from Memphis, Mo., where he has been conducting a county-wide evangelistic campaign for the last several weeks. He will leave Friday for Johnson City, Tenn., where he will be in charge of a meeting for about a month.

Upon the conclusion of the Tennessee meeting, the Reverend Mr. Snodgrass will go to Kansas City, where he will deliver the dedicatory address at the new Fairmont Christian Church, after which he will conduct a meeting at this church for several weeks.

Has Cattle On Market.

Schools Pay, Says Baker

(Continued from page 1).

Worth $26.85 a Day

"The difference represents $19,000 at 5 per cent, of $26.85 a day. So when your boys or girls talk about wanting to quit school before they have had this high school training, if they have jobs which pay them $26.85 a day, you might talk to them about quitting.

"Ask the average man whether he would rather leave his boy $15,000 or give him a high school education and he would generally say he would rather leave him the $15,000. But if the boy is to be deprived of a high school education thereby, he will, in the end, be the loser."

Governor Baker also cited figures from a survey made by the Missouri College of Agriculture, which, he pointed out, shows that farmers who have had more than an elementary school education, do better financially than their neighbors who have not. They operate 33 per cent more land and own four-fifths of the land as against three-fifths by those with only a grade school training. They have one-sixth more stock, till 14 per cent more land per workman and have 71 per cent more clear labor income per year.

Furnishes Nation's Leaders

Discussing the effect of education in elevating men to high position, Governor Baker cited the figures which show that out of the 1 per cent of the men of the county, who receive a college education has come 55 per cent of the Presidents of the United States, 36 per cent of the members of Congress, 47 per cent of the speakers of the House of Representatives, 54 per cent of the Vice-Presidents; 62 per cent of the Secretaries of State; 50 per cent of the Secretaries of the Treasury; 67 per cent of the Attorney-Generals and 69 per cent of the justices of the United States Supreme Court.

"Not only are education and civilization practically the same," the governor said, "but I want to go on record as saying that the same is true as regards education and Christianity. The real education means the training of the physical and moral being as well as the mental. Let the religious instruction of the young be neglected and the Sabbath be profaned with impunity and the glories of this nation will depart forever.

"The greatest teacher the world has ever known does not have his name in any history of education. Jesus was the greatest teacher, and his contribution to the community life of the world has been greater than all of your teachers and all other agencies combined."

A Tribute To Teachers.

Governor Baker then paid a tribute to the teacher saying that to the old saying, "As is the teacher, so is the school," he would add "As is the teacher, so is the community."

He declared that teachers should take the lead in many activities, but first should be fitted to do so by training and experience and a natural aptitude for leadership.

"He should be able to mix and mingle with the people," the speaker cautioned, "never forgetting that the opinions of others are to be considered and that the people themselves are the judges of the final results."

Among the attributes of the successful teacher he listed character above reproach, a helpful example, a knowledge of something outside of books, a pleasing personality, patience, tolerance and, finally, "a vision that will enable him to see not only the boys and girls sitting in his classroom but the men and women that will be developed by his efforts."

"Then," said the governor, "he may look forward to the completion of his labors with the confidence and joy in no other calling, unless it be that of the ministry."

Mrs. Robert Wolfers of New York, is visiting here, coming from Philadelphia where Mr. Wolfers has had his headquarters and where they made their home, but his headquarters are now in New York and that city will again be their home, having lived there before going to the Pennsylvania metropolis.—Hopkins Journal.

Dr. Taylor at Arkoe Sunday.

Dr. J. O. Taylor will preach at the Methodist Church in Arkoe Sunday morning at 11 o'clock. The entire community is cordially invited to be present and participate in the services.

Miss Myrtle Ballard of Mound City is a guest at the home of Mr. and Mrs. A. T. Estes. She is attending the Northwest Missouri Teachers meeting.

Showing here on its first release simultaneously with the cities.

Watch Your Frail, Puny Child Grow Strong---Take on Weight

In just a few days—quicker than you ever dreamt of—these wonderful flesh making tablets called McCoy's Cod Liver Oil Compound Tablets will start to help any weak, thin, undernourished little one.

After sickness and where rickets are suspected they are especially valuable. No need to give them any more nasty Cod Liver Oil—these tablets are made to take the place of that good but evil smelling, stomach upsetting medicine and they surely do it. They do put on flesh.

Ask Maryville Drug Co., or Gaugh & Evans or any druggist for McCoy's Cod Liver Oil Compound Tablets—as easy to take as candy and not at all expensive—60 tablets 60 cents.

Be sure and get McCoy's the original and genuine and give the child a chance for 30 days. If you aren't delighted with results you get your money back.—Adv.

Says: Grandest Stomach Medicine in the World

Relief Comes at Once But Better Still Chronic Indigestion Goes for Good.

Get a bottle of Dare's Mentha-Pepsin from Koch Pharmacy today with the distinct understanding that your money will be promptly returned if it does not stop the most acute stomach distress quicker than any remedy you ever used.

Your stomach may be so distended with gas that you think every minute your heart is going to stop beating, yet with one dessert spoonful of Dare's Mentha-Pepsin that dreadful feeling of suffocation will vanish in a few minutes.

It's a wonderful formula—this combination of Pepsin with other good stomach invigorators—so wonderful that in one small town in New Jersey, in 1921, over 6,000 bottles were sold.

Never mind what causes your indigestion or gastritis, or how long you have had it, or how many other remedies you have tried, this is the one medicine that will make your old disabled stomach so strong and healthy that you can digest anything you eat without the slightest distress.

Even catarrh of the stomach can be banished in a reasonable length of time.

And you know that when your stomach is in fine shape, nervousness, headaches and dizziness won't bother you. Every regular druggist guarantees one bottle of Dare's Mentha-Pepsin. Koch Pharmacy sells lots of it.—Adv.

Deciding Tilt Pirates Win

(Continued from page 1)

right center field. Bluege sent up a high fly to Moore. Cuyler made a sensational catch of Peckinpaugh's fly. The fielder, however, spoiled his splendid catch by throwing wildly to first in an effort to double Judge and Judge went to second. Carey raced out and took Ruel's long smash, retiring the side with no runs, one hit and one error.

Pittsburgh: Morrison hit a short fly over second base which Rice could not reach and it went for a single. Morrison scored on Moore's double to left field. Moore scored on Carey's short single past Stanley Harris. Peckinpaugh threw out Cuyler, Carey going to second. Carey stole third base on the third straight ball to Barnhart. Ruel was caught asleep and did not even make a throw to third. Carey scored on Barnhart's Texas league single to right. Traynor forced Barnhart, Peckinpaugh to Harris. Wright hit a pop fly to Stanley Harris. Three runs, four hits, no errors.

Fourth Inning.

Washington: Johnson flied out to Carey. Rice singled past McInnis. Stanley Harris struck out. He went back to the bench protesting the third strike. Goslin singled to left, Rice racing to third and Goslin taking second the play for Rice. Both Rice and Goslin scored on Joe Harris' two-base hit to right field. Judge drew three balls and two strikes, fouled one and then flied out to Cuyler for the third out. Two runs, three hits, no errors, one left on base.

Pittsburgh: McInnis singled to left field on the first ball pitched. Rice made a good catch of Smith's line drive. Grantham batted for Morrison and flied out to Joe Harris. Moore flied out to Goslin. No runs, one hit, no errors, one left on base.

Fifth Inning.

Washington: Kremer went into the box for the Pirates. Bluege was robbed of a hit by Kremer, who leaped high in the air to catch his bounding grounder and threw him out at first. Peckinpaugh was out at first. Carey made a nice catch of Ruel's low fly. No runs, no hits, no errors.

Pittsburgh: Carey, who already had made two hits, received an ovation from the crowd. On the first ball pitched, he crashed out his third straight hit and it was good for two bases. A long foul from Cuyler hit a spectator. Carey scored on Cuyler's two base hit into deep left field. Barnhart fanned. Traynor fouled out to Johnson. Wright worked the count to three and two, fouled off two more and then sent a pop fly to Stanley Harris. One run, two hits, no errors, one left on base.

Sixth Inning.

Washington: Wright took Johnson's fly back of second base. Wright also took Rice's slow hopper and threw him out. Stanley Harris fanned. No runs, no hits, no errors.

Pittsburgh: McInnis flied out to Goslin. Rice raced into left field and took Smith's drive. Kremer fouled out to Ruel. No runs, no hits, no errors.

Seventh Inning.

Washington: Goslin was out, Kremer to McInnis. Traynor raced over to the left field boxes and took Joe Harris' foul fly. Cuyler took Judge's fly after a hard run. No runs, no hits, no errors.

Pittsburgh: Peckinpaugh dropped Moore's high fly and the runner reached second base. Moore scored on Carey's third two-base hit, his fourth hit in four times at bat. The Senators protested that the hit was foul but the umpires stuck to their decision. Cuyler sacrificed, Judge to Johnson, who covered first. Barnhart was out at first, Carey holding third. Carey scored on Traynor's three-base hit to right field, tying the score. Traynor tried to stretch the triple into a home run but was out at the plate, retiring the side. Two runs, two hits, one error.

Eighth Inning.

Washington: Bluege was out at first, Peckinpaugh hit a home run into the left field stands. Traynor robbed Ruel of a hit with a remarkable stop of his grounder and threw him out. Johnson fouled out to Smith. One run, one hit, no errors.

Pittsburgh: Wright fouled out to Judge, McInnis flied out to Rice. Smith got a long hit for two bases, and Yde ran for him. Bigbee batted for Kremer. Yde scored on Bigbee's two base hit, tying the score again. Moore walked. Peckinpaugh took Carey's grounder and tossed to second but the umpire ruled that Moore was safe. Cuyler hit into deep left field for two bases, scoring Bigbee and Moore. Barnhart flied out to Harris. Three runs, three hits, one error.

Ninth Inning.

Washington: Oldham, a left hander, went into the box for Pittsburgh and Bigbee went to left field in place of Barnhart. Rice fanned. Stanley Harris flied out to Moore. Goslin fanned. No runs, no hits, no errors.

WHITE CLOUD.

The W. C. S. N. Club met with Mrs. Orville McMillen October 8. Quilt blocks were pieced for her. Mrs. Galen Ulmer drew a present from the birthday box. Luncheon was served by the hostess, assisted by Mrs. Robert Ramsey. Members responding to roll call were Mrs. Champ Rice, Mrs. Bert Baldwin, Mrs. Ol Coleman, Mrs. Will Anderson, Mrs. Robert Ramsey, Mrs. Henry Brown, Mrs. Will Boyd, Mrs. Galen Ulmer, Mrs. Loy Blanchard, and the hostess. Mrs. Ol Coleman will entertain October 15.

Mr. and Mrs. Will Masters and children of Maryville spent Sunday in the Olivet King home.

Thin, Pale, Tired? Look Out For Chronic Fatigue

One of the most insidious ailments today is chronic fatigue. Thousands are only half-alive, constantly suffering with weakness, nervousness, palpitation of the heart, headaches, etc.—continually taking medicines—when, in the great majority of cases, the real trouble is *chronic fatigue.*

Chronic fatigue is entirely different from the "healthy" fatigue you feel after hard work. Chronic fatigue comes from *within.* Your nerves, muscles, organs, etc., have become run-down and cannot function properly.

To conquer it you must go to its cause—*in the blood.* For it is from the blood that every muscle, nerve and tissue gets its nourishment. So when you are thin, pale, tired and run-down, it is usually because your blood is thin and pale, lacking in sufficient organic iron to carry strength to the starved tissues.

What you need, then, is not mere tonics, but more organic iron in your blood, so it can carry strength and vigor to every part of your body.

But don't take the older mineral iron medicines which many doctors now say do little good. Take organic iron—Nuxated Iron—which is like the iron in your blood and like that in spinach and lentils. Unlike ordinary mineral iron it will not injure the teeth nor disturb the stomach, but is promptly assimilated.

Take Nuxated Iron for just two weeks and you'll be amazed how much stronger you feel—how the color comes back to your cheeks and the sparkle and life to your eyes. Money back if not improved. At all good druggists.

You can almost feel RHEUMATISM disappear!

THAT miserable ache from inflamed, swollen muscles — GONE! Rheumatism conquered! Driven right out of the system—simply by building rich, red blood.

Sounds almost incredible—but it's true! You see, rheumatism, as it is called, that cripples you up and tortures you night and day, is caused by impurities in the system. Weak, impoverished blood can't throw off these impurities—so rheumatism remains.

S. S. S. helps Nature build back your blood to fighting strength—builds red-blood-cells by the millions! Red blood purifies the system — rheumatism is driven right out.

Get this wonderful relief yourself! Thousands are doing so! S. S. S. has been stopping rheumatism by building up red cells in the blood for generations. It will do the same for you.

S. S. S. also cleanses your skin of blemishes—increases your appetite—puts power and strength and energy in your body. Get S. S. S. today from any druggist. The larger bottle is more economical.

MRS. WM. BUTTS WAS VERY SICK

Gives Full Credit to Lydia E. Pinkham's Vegetable Compound for Remarkable Recovery

Wellston, O.—"I took Lydia E. Pinkham's Vegetable Compound to make me strong. I was troubled with my back and sides hurting me till I could not do my work, and whenever I caught cold it made me irregular. Since I have taken the Vegetable Compound my side and back don't bother me and I can do my housework and care for my children now, where before I did not feel like doing anything or going around. After my first child was born about four years ago I saw an advertisement in the paper about the Vegetable Compound. I knew it would help me, but I was afraid to try it because people said it would help you to have children and I knew I was having children fast enough. But I thought if it would help me it would be better to have a whole house full of children and have good health. I became stronger from taking it and my husband says I look like a live woman instead of a dead one. When Spring comes I am going to take your Blood Medicine as I am very thin. I will answer letters from any woman who wishes to ask about your medicine."—Mrs. WILLIAM BUTTS, Wellston, Ohio.

Closing Grain Review

Chicago, Oct. 15.—Grains followed wheat to a higher close on the Board of Trade today. Volume of business was light.

December wheat had the strongest undertone.

Short buying was behind wheat's higher finish.

Commission houses and leading professionals stayed out. They were inclined to let the market work out its own solution.

Very little went on in the corn pit. Active traders were inclined toward the bear side. Firm feeling in the leading cereal prevented drastic action by sellers.

Oats remained practically unchanged on a dull and featureless market.

Covering by cash houses sent provisions skyward early. In late trading commission houses forced prices to a lower close by dumping huge offerings into the market.

LITTLE ORPHAN ANNIE: Nothing to Worry Over

WHEW !!!! GEE, WHAT A DIRTY LOOK - AND HE WAS JUST AS FRIENDLY AS COULD BE TILL "DADDY" TURNED HIS BACK FOR A SECOND -
IF YOU COULD HAVE SEEN THE WAY THAT GUY LOOKED AT YOU WHEN YOU TURNED YOUR BACK YOU'D KEEP YOUR EYE PEELED -
WHY ? HOW DID HE LOOK AT ME, ANNIE ?
LIKE HE WANTED TO SHOOT YOU IN THE BACK - THAT'S HOW HE LOOKED - WATCH OUT FOR HIM - "DADDY"
OH, HE HASN'T NERVE ENOUGH FOR THAT, ANNIE - HE'S JUST MAD RIGHT NOW - THAT'S ALL -

BEARCATS ARE READY TO GO

TEAM TO "GIVE EVERY OUNCE OF FIGHT IN THEM."

LINE-UP IS UNKNOWN

College Eleven Has Been Drilled in Every Department of Football—Pep Meeting This Evening.

"Tomorrow the Bearcats will give every ounce of fight in them. They will play to win. If they do that I can ask no more."

This was the comment of H. Frank Lawrence, football coach at the State Teachers College, relative to the Maryville-Kirksville football game on the College field at 3 o'clock. Nothing more was forthcoming. The diminutive Bearcat mentor was "all tight." He wouldn't say a word. Just smiled.

Certainly the Bearcats should be in mid-season form tomorrow. Lengthy practices, followed by treatment for even the most minute ailments, have been the order of the week. And they have been diversified practices, too. Every department of football has been drilled into the Bearcats. Just what style of football the Green and White will use tomorrow is problematical to everybody except "Shorty" Lawrence and "Pete" Jones, his assistant. They only know, and they won't tell.

Coach Lawrence wouldn't even say anything about his starting line-up. Because of this, the only safe thing to say is that it will be somewhat the same that started against Peru last Friday.

Tonight a pep meeting will be held in the old gymnasium at the State Teachers College. Several former Bearcat football men will give short talks and there will be demonstrations by the pep squads.

The Kirksville team will arrive at 7:42 o'clock tonight. It will be taken to a hotel and early in the morning be taken out for a view of the playing field.

Not much is known of the strength of the Bulldogs, other than they have had a victorious season so far. About ten letter men are back on the team from last year and Coach McWilliams is not having the problem of moulding a new team.

Kirksville is counted on to play smashing football. The Bulldogs have never been known as a passing team, their specialty being off-tackle smashes and trips around the ends.

ELECTRIC THEATRE

Matinee at 3:00. Night 7:30 and 9:00.
Admission 10c and 30c

LAST TIME TONIGHT—
"THE WOMAN HATER."
With Helene Chadwick, Clive Brook, John Harron, Helen Dunbar and Dale Fuller. Your last chance to see this wonderful picture. Also Aesop's Fable, "CLEAN UP WEEK."

FRIDAY, OCT. 16—
Buck Jones in "Arizona Remo"
Cowboy love and daring wins the girl. Love, honor and O . . . Baby what a picture. Also International News.

SATURDAY, OCT. 17—
Alma Rubens and Percy Marmont, in 'A WOMAN'S FAITH'
Hell has no fury like a man scorned in love!

He renounced the world because he caught his sweetheart in the arms of his best friend on his own wedding eve! To avoid women for all time he went into to great Canadian lumber camps. And there found one vibrant, pulsating woman who brought to him all the mystery, the fascination, the excitement of love! From the Ladies' Home Journal story, "Miracle," by Clarence Budington Kelland. Also a two reel western, Jack Perrin in—
"STAND UP AND FIGHT."
Remember we have two matinees on Saturday, 2:30 and 4:10.

About 25 "Bulldogs" to Make Trip Here

Kirksville Teachers Come Through Battle With Kemper In Good Shape —Here In Pullman.

(Kirksville Daily Express).

The K. S. T. C. Bulldogs pulled through their football game with the Kemper Yellow Jackets last Friday in good shape, and although weather conditions have not afforded the best of opportunities for extensive practice thus far this week, the Bulldogs have kept right on the job, and have high hopes for the game at Maryville with the Maryville Teachers College Friday. This being the first out-of-town game of the season, and since Coach McWilliams has not had sufficient tests to decide for certain the fifteen or sixteen men who should be considered first in their ability to represent the school, it has been decided to take about 25 players to Maryville. As somewhat of a new scheme, the team will ride in Pullman berths.

It is said that the Maryville aggregation has a special desire to win a victory over Kirksville this year, because of the fact that the Bulldogs composed the only team that crossed the Maryville goal line last year. The Bulldogs have won the first two games of the season and aspire to maintain the position they attained last year as M. I. A. A. champions.

H. S. GRIDDERS GO TOMORROW

TO MEET MAYSVILLE IN DECISIVE GAME THERE.

LOCALS ARE CRIPPLED

Opponents Have Played One Game This Season, Winning From Smithville, 32 to 0.

The Maryville High School football team will leave tomorrow morning in a bus for Maysville where they will meet the high school gridsters there tomorrow afternoon. For the last three years the Maysville outfit has been the jinx for Maryville, each time beating the locals out of the championship in the final game.

This time the Spoofhounds are bent on revenge. All week they have been schooling themselves in a defense which they hope will cope with the line-plunging game for which their opponents are famous.

W. H. Herbert and Hugh Graham, the high school coaches, would not issue a statement prior to the game. They prefer to talk afterward, they say.

Maryville will enter the game still in a crippled state. Kissinger, tackle, and Godsey, end, remain on the list of injured and have no chance to get in the game, while Gene Howard, guard, will only be used if necessary. Tindall, at center, will likely be back in the game. King also may play.

The Maysville team has played one game this year, winning that from Smithville, 32 to 0. The team is lighter this year than last. Five letter men were lost by graduation, according to high school officials from there.

Warren Giles of St. Joseph was to have refereed the game, but last-minute complication prevented and a new official will be chosen late this afternoon after a conference between representatives of the two schools.

Preaching at Rockford Church.

Regular services will be held Sunday at the Rockford Church. Sunday school at 10 a. m. The preaching services will be held an hour later, with the Rev. J. H. Fanning of Quitman occupying the pulpit.
